

Hinweise zur Nutzung

Die folgenden Seiten möglichst in Farbe ausdrucken, einmal falten und die entstandene A5 Blätter entweder in A5 Hüllen laminieren, oder jeweils zwei gefaltete Seiten nebeneinander in einer A4 Hülle laminieren und in der Mitte durchschneiden.

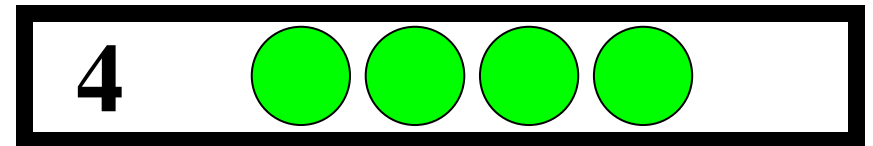

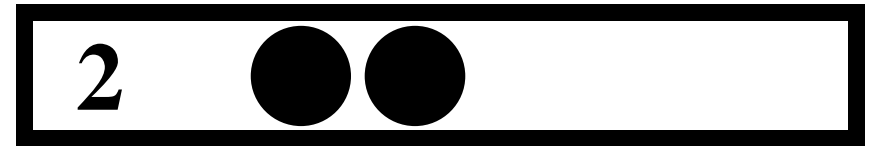

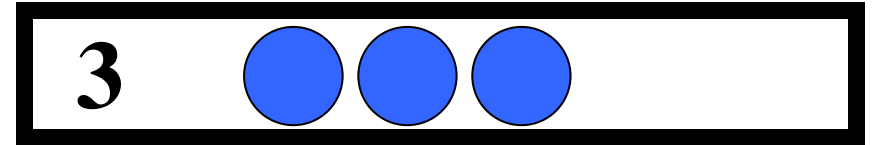

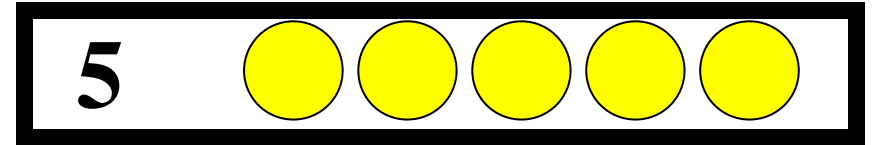

Bild und Zahl können dann auf der Folie mit löslichem Folienstift verbunden werden (Suche die richtige Zahl). Auf der Rückseite der Karte befindet sich eine Möglichkeit zur Selbstkontrolle (Kontrolliere selbst).

Es entsteht eine kleine Übungskartei, die beispielsweise in der Freiarbeit eingesetzt werden kann.
